---

Hello all, I have scheduled a meeting for Wednesday October 6th from 1 to 2 pm in the West Conference Room on the 10th Floor. The purpose of the meeting is to discuss the current status of the Site.

Phil, others outside of the office, please use the following call-in number (214-665-8100). Jessica, Barry, Phil, due to the fact that I could only obtain a bridge line with 8 callers, please update the other State and Federal natural resource trustees, not included in this e-mail, at a later date as you deem appropriate. Sorry for the inconvenience. I will ensure that we have a higher capacity bridge line for the next meeting.

Attached are the documents that are referenced in the Word doc titled "Falcon Update 100610.doc." This doc also includes a very short agenda.

Gloria, Bob, and Gary, please be prepared to discuss your current activities related to the Site.

See you tomorrow.
